ARMSCORP / ROCK ISLAND STK 100 HC 9mm Pistol Black parkerized steel slide and aluminum alloy frame w/ 4.5" barrel and 17+1 capacity. Will accept Glock 17 mag! Great value and really shoots "flat". While considered a Glock "clone" by many, this has been an improvement with changed ergonomics including a beaver tail and aggressive grip friction points for a positive hold. Trigger pull of @4.10 lbs. and total weight of 2 lb. 8oz. make this handle recoil really well. Rear sight plate adjusts to accept sights like the Red Dot Vortex Venom! Great reviews can be found on line and we call this one a true **BEST BUY!**  
\$495. #GUN901

ROCK ISLAND VRBP-100 Shotgun 12 ga., w/2-5 rd. mags, 3 chokes, and adjustable cheek rest. Pic. rail and flip up sights. Compatible with VR 9 and 19 magazines.

TAVOR TS-12 12 Ga. Shotgun - 3 cylinders hold up to 15- 2-3/4" shot shells or 12- 3" shells. Pic. rail across the top. Barrel length 18.5", overall length 28.34". \$1285. #GUN914
