ABOUT HIGH CAPACITY MAGAZINES:

Although we try to stay abreast of current State gun laws, it is a痴ended that we are not aware of over 20,000 laws on the books. By ordering, you are stating that you are compliant with your Local & State laws. Most States allow large capacity magazines. Some do not. If you are unsure on this issue, contact your Local or State law enforcement to confirm what is allowed. This is a break down of States with some hi-capacity restrictions: NY, NJ, DC, MA, CA, CO, CT, IL and various county laws therein including Chicago, D.C. CA residents - check your laws as they are changing.
